KENTUCKY GENTLEMAN
No. 5167 A. S. H. R.

is a handsome chestnut with beautiful mane and tail; is 15.3 hands and will weigh about 1,150 pounds; has the very best of feet and legs; good flat bone, broad sloping shoulders; short, stout back and a horse of the most wonderful endurance. He is an impressive horse, standing still and is more so in motion; sets himself just right, never touches himself any where and has exceptional speed at the rack and trot. He was one of the most successful horses shown last year. He was shown at three fairs and won the combined stallion class at each place.

Kentucky Gentleman has the qualities that are necessary to the production of a perfect horse—color, size, style, speed, action, and endurance, and ideal breeding. He is sired by Chester Peavine 3184, by Rex Peavine 1796, by Rex McDonald 833. Dam, Flora Carter 8419, by Red Squirrel 53, by Black Squirrel 58, by Black Eagle 74, by King William 67.

In offering the services of this grand young horse to the public, I feel that I am giving them their money's worth. Give him the same class of mares and I do not believe there is a horse in the State that will beat him producing high class colts, (no matter how high the service fee.) Breeding to Kentucky Gentleman is no longer an experiment. Bring him a good mare and he will get you an extra good colt. Do not take your mares thirty or forty miles to breed when you have just as good a horse right at home and for less than half the money.

Kentucky Gentleman will make the season at my home, one mile from Stanford, on the Danville pike at \$20.00 to insure a living colt. Money due when colt foaled. Cares taken to prevent accidents, but not responsible should any occur.

Voltaire 55140

There is no doubt about Voltaire being the best breeding as well as the best bred big horse in the county and possibly in the State. Each time he has been shown he has easily won first premium and his colts have won first every year they have been shown. There has been more demand for big horses within the last year than was ever known before. Quite a good many farmers have almost stopped raising horses and that is sure to make a demand for them. Nearly every farm paper you see advises the farmer to raise bigger and better horses. I think right now is the farmer's opportunity. Bring your good mares to Voltaire and you are sure to get a good colt. He will make the season at my farm, one mile from Stanford on the Danville pike at \$15.00 to insure a living colt. Money due when colt is foaled.

I will also stand a good young Jack. He is a heavy big boned fellow, and I think will make a good breeder. Will stand at \$10.00 to insure.

Forty-eight head of Herefords averaged \$1,000 at the sale of Gubbert and others at Independence, Mo. Bush, of Dexter, Iowa, purchased a November yearling from a dam by Eugene for \$500.

J. B. Ruble, of Bryansville, Garrard county, delivered to Clel Coleman, of Mercer county, Thursday 174 fat cattle, which he has had on slop at the Burgin distillery for some time and which were in prime condition. They averaged 1,180 pounds and Mr. Coleman paid eight cents a pound for them. He had engaged them some time ago.

W. B. Lawson, the well known stock buyer of Garrard, was here Wednesday. He says that the quarantine placed against Kentucky by Ohio and Pennsylvania, has tied up his shipments. He has several loads of hogs ready to go, and about 1,000 lambs. Stock dealers do not believe, however, that the restrictions on Kentucky shipments will be kept on very much longer.

Joe E. Wright, the well known jack and horse breeder near Shelby City, shipped to R. D. Thornbury, of Los Angeles, California, this week, a carload of jennets and five high class Kentucky saddle horses. Mr. Thornbury has bought a lot of Kentucky jack and horse stock, including the celebrated saddle gelding Jack Barrymore. He has gone into the business extensively on his western ranch and has bought liberally in this section of the state.

Thurlock Jones took up two extra fine bunches of hogs this week, and has shipped them into the Cincinnati market where, it is expected, that they will bring a top figure. From Vicksburg, O., he bought 41 head of thoroughbred Red Berks which were beauties. The porkers averaged 230 pounds and Mr. Jones gave seven and a half cents a pound for them. From T. A. Rice he purchased a drove of 40 Duroc Jerseys that were also porcine beauties. These averaged 200 pounds and cost the buyer seven cents a pound.

Mr. A. C. Miles, of Buckeye, sold three Jersey cows and calves to Mrs. H. C. Muir, of Jessamine, for \$60 a head. He also sold to Mr. Newton Hendren, of Madison, two Jersey cows with calves, for \$45 a round, and to Lexington parties some extra nice butter heifers and young cows at 6 to 8 1-2 cents a pound. Mr. Miles recently bought of Jake Hart, two yearling steers at \$32.50 a head. From various parties Mr. Miles has bought for June and July delivery about 250 lambs at 8 cents and less per pound.—Lancaster Record.

Local hogs and sheep breeders were rejoicing late this week over the lifting of the quarantine against Kentucky, instituted by Ohio and Pennsylvania last week, when a taint of the foot and mouth disease was discovered in the Louisville yards among some sheep. Quarantine has been declared off against all Kentucky points except the stockyards at the Falls City and it is expected that that will soon be lifted as everything there has been given a thorough disinfecting. The quarantine tied up shipments from this part of Kentucky for a short time, and had shippers and sellers worried a bit but all are feeling much better now.

CRAB ORCHARD.

On Wednesday evening, May 26, the Commencement exercises of our Graded School took place at the Baptist church, under the direction of the principal, Prof. Hatfield. This was one of the most interesting occasions witnessed here for many years. The music under the management of Mrs. George Stephenson and Mrs. Bragg Thompson, was splendidly rendered. There were five graduates from the tenth grade, viz.: Misses Ethel Giesel, Myrtle Giesel, Roberta R. Holtzclaw and Messrs. John Howard Perkins and Iven Montez Fish. The Salutatory Address was pleasingly rendered by Miss Ethel Giesel, who was beautifully dressed in white with natural flowers and never looked prettier or made a better impression on the audience.

Misses Myrtle Giesel and Roberta Holtzclaw, beautifully and tastefully clad in white, read in a clear and concise manner, delivered the valedictory address which was beautiful and impressive, and showed much thought and feeling. He was loudly applauded and received forty-five presents, many of them very costly.

After the presentation of diplomas by Prof. Hatfield, Prof. C. D. Lewis, professor of biology in Berea College delivered an excellent and appropriate address to the class. Choosing as his subject, "The Challenge of Thor." His advice to the class was very inspiring, urging them to begin their life work in a practical way, so as to become useful citizens, urging the girls to get acquainted with broom, duster and cook stove as well as their school books.

On Thursday evening the school presented the play of "Kingdom of Hearts Content." A very large crowd was present. All participating in the play acquitted themselves very creditably, which fact was proved by the play being repeated Saturday night to as large a crowd as before.

Miss John Eva Hilton, teacher in the third and fourth grades, left for her home near Stanford, Sunday. Miss Moore left Monday evening for Stanford, and Miss Mary Gray will shortly leave for her home in Georgetown. U. G. Hatfield, the principal, left Tuesday for Danville and from there will visit Cincinnati, Ohio, to hear his brother graduate in Dentistry then he will visit his mother in Russell county.

Principal and teachers carry the good will of our entire community for their untiring efforts to make this one of the most successful years of our school. They will return this fall to teach the next term of school.

Mrs. Mary Cullen has returned from Corbin accompanied by her daughter and son-in-law, Mrs. and Mr. Sparrow.

A gay party of young folks went to High Bridge last Sunday.

Mr. James Manuel and entire family left Monday for a visit to his father, Mr. Tom Manuel who is quite sick at his home in the country.

Judge Joe Magee has been very sick for several days with stomach trouble and his many friends have been quite anxious about him. He is somewhat better.

Mr. Charles P. Buchanan, of Cleveland, Ohio, is with his mother here for a short rest.

Mr. and Mrs. John Kennedy have returned from a visit of several days to relatives in Frenchburg.

Pretty Miss Katie Napier, of Paris, Ky., is with relatives here.

A very large crowd attended Decoration Exercises at Ephesus church Sunday. Dinner was served on the grounds and all report a most enjoyable time. The day was not so served here, but remember when not a soldier's resting place was forgotten in either of our cemeteries.

Burglars entered the saloon of J. W. Reidel, at Lebanon and secured about \$100 in money and several bottles of whisky.
